Florida Fire Safety Board Meeting  
*(This is a public meeting and attendees will receive technical credit hours approved for both portable extinguishers and preengineered systems from the SFMs Office for this seminar)*

The Florida Fire Safety Board is a seven member board created per F.S.S. 633.302. The board acts in an advisory capacity to the State Fire Marshal and meets regularly as the need presents itself. The board has the authority to review complaints and disputed administrative action and make recommendations for disciplinary action to the division at the request of the license holder, permit holder, or certificate holder. The board serves in an advisory capacity to the division regarding rules, codes, standards, interpretations, and training.

The two fire equipment representatives on this important board are John Gioseffi, Broward Fire Equipment, Ft. Lauderdale (currently serving as chair of the board) and Gary Blair, Fire Fighter Inc. Both have served as presidents of FFEDA with Gary currently serving as President and John currently serving as Treasurer on the FFEDA Board of Directors.

This technical seminar is approved for both portable extinguishers and preengineered systems. CE Hours will be tracked on your FFEDA Conference Attendance Certificate and by the SFMs Office through their sign in sheets.
